

She falls into his arms. He strokes her hair. His eyes fill with tears she cannot see.

BOB (CONT'D)

I would never cheat on you, Elizabeth. That is never going to happen. I love you. So much it almost kills me.

Elizabeth is overcome by relief. But in her eyes, we can tell she isn't 100 percent convinced. Suddenly, Bob's BEEPER goes off. There's an emergency.

EXT. LACROSSE FIELD -- NIGHT

Patrick, Beckett and the rest of the team are running drills under bright lights when Beckett notices Cassie standing by the bleachers. He nudges Patrick who looks to see Cassie calling him over. Patrick runs out of line and goes to her.

PATRICK

What's wrong?

CASSIE

I think it's coming.

PATRICK

(worried)

Did your water break? Are you having contractions?

CASSIE

No. I'm feeling little ones, though.

PATRICK

It's just those Braxton Hicks we were reading about. Relax.

Suddenly, she flinches, then grins. ANGLE: Cassie puts Patrick's hand on her belly. His eyes grow wide, as if he just felt a miracle. He did. Their baby is kicking.

PATRICK (CONT'D)

Is that him?

Both of them are emotional.

CASSIE

Patrick? What if we had a life different from what we imagined? Would that be so awful?

Beckett runs over in time to notice the intimate moment. His judgmental stare makes Patrick pull his hand away.

START -

BECKETT  
Scrimmage is starting.

PATRICK

They share a smile and he and Beckett run off.

BECKETT  
What was that?

PATRICK  
What?

BECKETT  
Don't give me that shit, proud papa  
-- no way in hell you're keeping  
that little bastard.

PATRICK  
And what would be the big deal if I  
did? So I go to UConn so I can be  
closer to home. I love her.

COACH  
Fitzpayne! Bromley! Stop jerking  
each other off and line up!

The team takes positions. Beckett and Patrick, at center, hunch down across from each other to face off. The coach releases the ball between them and Beckett explodes forward, violently tackling Patrick.

BECKETT  
(on top of Patrick)  
You will not throw away our future.

Patrick shoves him off. The coach grabs Beckett, who shakes him off and storms off the field. Off Patrick, who watches his exit with quiet concern --
